Bible's Eustace was clear - will have to
wait for her if anything comes of it. As
in the St. Ph. situation, I let at good about it,
I gave my views and that was all I could do.

I should say that she is back in a
minutes from report me, also Rutha report me
this general condition has me worried. I would
feeling of me - see, I'm spending time, and
I could go from one church to another
depending what could be done. I've changed
