

*Surat Qaf: "And the Earth, We spread it out, and cast therein firmly set mountains and We have made to grow therein of all beautiful kinds; to give sight and as a reminder to every servant who turns to Allah."
[50:7-8]*

An aerial photograph of a city during sunset. The sky is filled with dark, heavy clouds, with a bright orange and yellow glow from the setting sun breaking through in the center. The city below is densely packed with buildings, many with red-tiled roofs. In the foreground, a large building with a glass and metal facade is visible. The overall mood is dramatic and contemplative.

*Surat Al-Anbiyya: "And We
made the sky a protected
ceiling, but they, from its
signs, are turning away."
[21:32]*

*Surat at-Tur: "And glorify
Him during part of the
night and at the fading of
the stars." [52:49]*

Surat al-Hajj: 'Do you not see that Allah has sent down rain from the sky and the earth becomes green? Indeed, Allah is Subtle and Acquainted.' [22:63]
